Lens Cleaner, PVC Pouch & Sun Care Kit

LCRS

PVCB

SFSI

Introducing our innovative Lens Cleaner Spray, featuring a vibrant full-color label that highlights the product's key benefits and attractive design. This powerful formula effectively removes smudges, fingerprints, and other grime from a variety of surfaces, including smartphone screens, camera lenses, glasses, and more. The spray's non-toxic and alcohol-free composition ensures safe and gentle cleaning without leaving any residue. With our high performance non-ammoniated formula, our lens cleaner delivers streak-free performance, grease film removal, and brilliant shine. A single solution for multiple surfaces.

Bring along cosmetics, TSA approved bottles and other toiletries and tools while traveling in this durable locking pouch. This 0.25" x 9.5" x 8.75" PVC holder has a easy zip lock closure with an expandable gusset for added storage space. Perfect for makeup brushes, applicators and pens, pencils and tools too. The top die-cut handle makes for easy carry and display. Available in clear frosted design. Add your school, sports team, organizational or company logo or message to customize.

Stay prepared for sunny days with this Sun Care & First Aid Kit. This versatile kit includes essential items to keep you protected and comfortable during outdoor activities. The sun care items help shield your skin from harmful UV rays, while the first aid supplies are there to provide quick relief for minor injuries. Compact and convenient, this kit is a must-have for your next adventure.

Ear Plugs, Ear Bud Case and Sewing Kit

EPLG

Inside

REPC

SEW1

Block out the noise from the competition with these handy earplugs! The soft earplugs are disposable and fit comfortably to the contours of your ear to eliminate sounds around you. They come in a clear plastic case for added convenience to take with you wherever you go. It's great for trying to catch up on sleep while traveling, studying in loud environments, focusing on work, and other occasions that require a little more silence.

Keep your earbuds safe and sound thanks to this earbud case! This 3" protective round travel case zips securely closed and is equipped with a soft mesh pocket. It's the perfect case to keep your headphones or other small belongings safe and protected while you're traveling or just on the go. It can easily fit into a backpack, purse, fanny pack, or even right in your back pocket. Choose between multiple bold colors to showcase a company or organization logo, marketing symbol, slogan, or design.

Patch together the perfect advertisement with this neat mini sewing kit! This sewing kit is great for keeping with you on the go and for spreading word about your brand. The compact plastic case has a 21-piece set which includes two white and two silver buttons, one safety pin, mini scissors, three needles, a threader, tweezers, three straight pins, one pincushion, and six 28" pieces of thread in various colors.

Promote your brand with this unique and eye-catching give-away! Customize it with your logo or message to create a memorable and functional promotional item. The Pop Ball is a perfect fit for trade shows, conferences, and corporate events, providing a fun and interactive way to engage with your audience.

NOTE: These items are lightly inflated and temperature will cause the balls to appear to inflate in the heat and deflate in the cold. Due to the curvature and light inflation, imprinting cannot always be straight.

Look cool at your next promotional event with these stylish colored lens sunglasses! This trendy accessory protects eyes from the sun while also keeping you looking good. These sunglasses are FDA approved and offer UV 400 to shield harsh sunlight.

Save your eyes with these blue light blocking sunglasses. Wearing these can help limit eyes from exposure to blue light (mostly found in technology items such as phones, tablets and computers) which can cause strain to the human eye. The wavelength of blue light can be harmful to the retina (generally discomfort) and can even affect sleep. Lenses also feature ultraviolet protection level UV400 (100% UV).

Rush Orders: **For 24-Hour Rush Service* Graphcoline must have the order, usable artwork, and payment/terms established by 11:00am MST on the day before the required ship date. Rush service must specify overnight, 2-day, 3-day, or ground shipping service. Factory will NOT ship using 3rd party freight on RUSH orders that have 3 days or less production. Please contact customer service for quantities/products available for rush service. Rush charges apply, please inquire within. Proofs are not available on rush orders.

New Account/Credit Terms: Net 30 to well-rated companies. All new accounts must be accompanied by a check or credit card information for the full amount of the order and estimated shipping. PAST DUE balances will affect the processing of your orders. A finance charge of 2% per month will be added to all past due balances. We accept Visa, MasterCard, AMEX, and Discover cards with a 2.2% convenience charge.

Normal Production Time: 5 to 7 business days on most items. 7 to 10 business days on laser engraved and domed items. Production time begins the day after usable art, complete purchase order, and art/proof approval reaches factory and credit has been established or payment received.

PMS Match Charge: $50.00 (V) – Exact match cannot be guaranteed. All PMS colors may not be available.
Individual Polybag: $0.20 (V) per piece if not already included in the price.

Proposition 65 Compliance: To ensure compliance, products that are intended to be sold or provided to consumers in the state of California should include a warning label applied to the immediate container (exterior box). Please provide these labels and mark your purchase order indicating Prop 65 labels are required. Products may require a warning label applied to each item before distribution in California. Should the buyer and/or distributor require or desire this, add $0.10 (p) per piece and provide labels. Mark your purchase order indicating that individual Prop 65 labels are required. If buyer and/or distributor fail to provide Graphco with advance written notice indicating that prop 65 labels are required, then buyer and/or distributor will indemnify and hold harmless Graphco, its agents, employees, and affiliated companies from and against all claims (including, without limitation, violation of Prop 65, personal injury and property damage) and from all other costs, liabilities, damages, and expenses (including, without limitation, attorney fees, costs, and litigation expense).

Purchase Orders: Please proofread orders before submitting them to factory. The factory is not responsible for spelling errors or conflicting information on style number and product description. The factory is NOT responsible for misinterpretation of handwritten orders or any order received via fax machine. Please include a copy of the artwork with the purchase order if the actual art is being sent electronically. The factory is not responsible for errors due to electronic submission of artwork without a copy accompanying the purchase order. No orders or changes can be accepted by phone. Please supply return phone number with all purchase orders.

Repeat Orders: To ensure exact duplication of previous order, all pertinent information must accompany the new order. Product number, item color, quantity, imprint color, and previous invoice or purchase order number of previous order must be included. Factory will not be responsible for any information left off reorder. Factory keeps screen art for two years. Half price screen charge for exact reorder within twenty-four months.

Returns: All products are guaranteed against defects in material and printing. Claims must be made within thirty days of the invoice. No returns accepted without authorization. Factory's liability shall be limited to a refund or replacement of the product (at factory's option). A 15% restock fee may apply.

Samples: Samples of small quantities are mailed via US Postal service at no charge. Expedited shipping of samples will require your carrier account number or your credit card number. Please fax, email or order online all sample requests.
Self Promotion: Use end column price. Setup and less than minimum charges waived.

Shipping: All orders are shipped UPS Ground, FOB Factory. Consignee is responsible for all claims of loss or damage. Factory is not responsible if delivery is delayed by carrier. Factory will make every attempt to use specified shipper but reserves the right to ship via any available carrier. Account number must be supplied. Factory will not assume any liability when an alternate carrier is used.

Standard Imprint Colors: Process Blue, Reflex Blue, Blue (2935C), Navy (281C), Red (200C), Green (355C), Dark Green (357C), Purple (2603C), Violet (2685C), Maroon (208C), Yellow, Black, White, Gold, or Silver (877).

Trademark Notice: Imprints and logos shown on products in this catalog are for illustrative purposes only and do not indicate actual use or endorsement of that product by the advertiser.

Union Label: Not available.

Unimprinted Merchandise: Use end column price.

**Prices subject to change.

ART REQUIREMENTS & SPECIFICATIONS

CAMERA-READY ART

Camera-ready art is defined as black and white line art that has sharp, clean lines, requires no retouching, and is complete with text and/or graphics. Clean, black and white copies printed at 800 dpi or higher are usually acceptable.

We expect that you have proofread your art and/or copy before sending it to us and that it is correct and ready for immediate processing.
Spot color separations submitted in paper form are only acceptable if the colors do not overlap.
Artwork is not returned unless requested.

Art is not camera ready if:
- in color, unless being used for a 4 color process order
- a gray tone, halftone, shadow, texture, or screen
- photocopied or faxed
- a business card, stationery, or newsprint
- soiled, smudged, torn, or bent
- we have to add text to a logo
- we have to add a logo to text

Screens or Halftones: We do not print halftones or screens. Please send solid 1-color art.

Typestyles: If we are to set type for your order, we will match the typestyle as closely as possible, using fonts in our system, to your supplied copy or artwork unless otherwise instructed.

DIGITAL ART

We accept artwork submitted on CD-ROM or via email. If artwork is emailed, it must be indicated on your purchase order and the subject line of your email must include your purchase order number to ensure the proper art is matched to your order.
Art email address: art@graphcoline.com

File size cannot exceed 10MB.
Please do not email purchase orders to art@graphcoline.com. They may be overlooked. Please fax your purchase order, place the order online, or contact customer service for an order email address.

To ensure timely completion of your order, we recommend using one of the following file types:
Adobe Illustrator EPS PDF

We are MAC based; however, PC versions of these programs are acceptable. All fonts must be converted to curves/outlines and the file must be saved or exported as an .eps, .ai, or .pdf file. Page layout programs must include all supporting files and fonts. If using Illustrator, export your file as a MAC version in CS4 or lower. Please keep in mind that Corel Draw 11 and higher is not supported by MAC.

Fonts: We recommend that all text be converted to curves/outlines by the originating program. This eliminates font problems associated with the variety of fonts with the same name. If this is not possible, include both screen and printer fonts with your files. We can only accept Macintosh compatible fonts. We highly recommend Postscript fonts rather than True Type fonts.
Include a hard copy of your artwork that shows layout, size, and color breaks
Compress your files before emailing. We can accept files compressed with Stuffit or WinZip.
All files used to create artwork need to be included.
We are unable to use files saved in the following formats: bitmap (.bmp), JPEG (.jpg), GIFF (.gif), PICT, CGM, MS Word (.doc), MS Excel, Powerpoint, or Lotus. We cannot use low-resolution images (less than 300 dpi).

Low resolution images can be recreated or cleaned up for an additional fee.
Redraw Fee: $50 (G) per hour, 1 hour minimum
