READY TO DECORATE?

With over 30 years in the industry we pride ourselves to offer a wide variety of decoration methods. From embroidery, leading to an extensive line of products and decoration methods, our team offers world-class craftsmanship and cost effective solutions for all your branding needs, specials events and corporate apparel.

DECORATION METHODS AND SERVICES

EMBROIDERY

We offer extensive experience in digitizing artwork and embroidery. With our state-of-the-art embroidery equipment, thread colors, and digitizing software; means artwork can be applied to a wide range of products and multiple locations.

DIRECT TO FILM or HEAT TRANSFER

Direct To Film - Heat Transfers offers vibrant color, detailed imagery and durability. This technique is applicable to several material varieties, while also being cost-effective.

WOVEN LABELS or OTHER PATCHES

Use custom woven labels, twill patches and leather etched patches to showcase and build brand recognition. With a variety of colors and styles applicable for decoration on many promotional items.

SCREEN PRINTING

This classic application is one of the most cost effective decoration methods. This technique uses a special stencil to apply ink direct to the product. Our team has mastered spot colors and specialty inks on both dark and light materials.

LASER ETCHING

Superb, timeless and elegant engraved detail. This technique works best on smooth, and medium-shade materials such as; metals, fleece, denim and other durable materials. For example see the "Leather Patches" option.

SUBLIMATION

Sublimation is a simple print and press process onto a blank. Sublimation permanently adds a design to any blank, such as shirts, bags, hats and more. To learn about its limitations, check our website or contact us for more information.
