Warm polythermal lining

Apprentice

Thermals and hoodies are the general go-to for warmth so for the Apprentice, we combined the two. The outer shell is that of a hoodie while the inner is a heavy duty polythermal. This jacket helps lock in your body heat and comes in several colors with contrast color liners, all of which have deep open pouch pockets.

- 100% Polyester, 7.5oz/238gsm (outer)
- 100% Polythermal lining, 7oz/238gsm (inner)

Reebok Freestyle

Have you ever seen water droplets bead up on a surface? They don't get absorbed and just roll right off. Pretty cool right? Well what if we told you we put that same fancy beading technology onto a heather jacket? Yep! Our Reebok Freestyle is coated with Teflon making it repel water, oil and stains. Add a zipper pocket to the left sleeve and you have yourself a perfect fleece jacket.

Returns Authorization:

Dunbrooke strives to make sure your order is processed accurately. If you find a discrepancy in your order a claim must be made by requesting a return authorized within 15 days from receipt of goods. The request must reference the invoice number. A proper return authorization from Dunbrooke is required before any returned goods will be accepted. Returns are not allowed on decorated or custom goods. We reserve the right to charge 15% re-stocking fee and any applicable shipping charges on all returned or refused orders (except damaged or defective goods). There is a \$20.00^A minimum restocking fee.

Dunbrooke works within the guidelines of applicable U.S. federal and state safety requirements, including the Safe Drinking Water and Toxic Enforcement Act of 1986, also known as California Proposition 65.
