# GENERAL INFORMATION

**Promotional Offers Disclaimer:** All website specials and exclusive club member perks such as discounts, free shipping, store credits, members-only pricing etc. that may appear on Licorice.com, Caramels.com, Taffy.com or Chocolate.com are not applicable on items in this catalog and cannot be applied towards orders.

**Hours:** Customer service hours are 9:00 am - 5:00 pm EST, Monday-Friday. All orders must be sent via e-mail, no phone orders are accepted. To avoid duplication, please indicate if the order was previously sent. The factory cannot be responsible for duplicate orders. Order acknowledgments will be sent for each purchase order, and we require that it is signed and returned to us prior to the ship date.

**Minimum Order Requirement:** Factory has a minimum order value requirement of \$100 for product.

**Production Time:** Production time is typically 5-7 business days from art approval. A complete purchase order with all pertinent information is required along with approval of art to begin production.

**Changes & Cancellations:** Cancellations or changes to orders must be submitted in writing. Cancellations must be made well in advance to the scheduled ship date. You may be invoiced for any work already completed. Any type of order change may result in a delay to the original scheduled ship date. If adding to an order that is already produced but not shipped, a new purchase order is required, and the additional pieces will be produced based on the current production schedule and pricing for that quantity.

**Overruns/Underruns:** Factory reserves the right to ship within 5% over or under the original order quantity. Overruns will ship to the same address as the order. For drop shipments, overruns will ship to the billing address unless otherwise specified.

**Claims & Returns:** Claims must be made within 10 days of receipt of merchandise. Returns must be approved in advance by obtaining a return authorization number from customer service. All claims for goods damaged in transit must be made with the carrier.

**Self-Promotions:** EQP minus 10% with a reduced setup charge (price varies by item). Terms and conditions apply. Self-promotion pricing cannot be combined with any promotional offers or discounts.

**Shipping Terms:** Factory will ship according to instructions on purchase order. If shipping instructions are not specified, orders will be shipped according to our best judgment. Factory cannot be held responsible for shipping delays caused by couriers, natural disasters, or anything else beyond our reasonable control. Title to merchandise passes to buyer at time of shipment. Any claims for loss or damage to goods must be filed against the carrier. All materials should be retained for inspection by carrier. UPS or FedEx may bill the factory for address corrections and those charges will be invoiced to the customer if an inadequate or inaccurate address is provided. Please be aware that even if a 3rd party shipper number is provided, address correction charges are billed back to the factory. Factory will generate a separate invoice to the customer for any address correction charges. All perishable items returned due to inadequate addresses will be destroyed and non-perishable items will be donated.

**Dropship and Split Shipments:** Add \$2.50 per location if you require us to ship each individual gift to a different location. Addresses must be submitted using our factory supplied excel template or an additional fee of \$3.00 per location will apply. For split shipments, add \$12.50 per location.

Shipping charges and mailer boxes are additional and billed separately.

**Foreign Shipments (shipments outside the continental United States):** Canadian shipments will have a fee of \$2.50 per address (both drop and bulk). All other international orders will have a \$20 fee per address (both drop and bulk). Please note that due to federal regulations, we cannot ship to the following countries: Mexico, Brazil, Norway, Nigeria and the Bahamas. THE RECEIVER OF GOODS will be responsible for all taxes, duties and miscellaneous charges related to the shipment Declared value will be catalog pricing unless otherwise requested. The factory is not responsible for delays in customs, ocean freight shipments or air freight shipments beyond our immediate control.

**Individual Mailers:** Add \$2.00 for a standard, non-custom individual brown, corrugated mailer. Price includes insertion of product into the mailer - deduct \$.20 for flat mailers. Mailers will be bulk packed into a master carton, unless drop shipping is requested. Additional fees and freight charges apply for drop shipments. Custom-printed shippable mailers are also available, inquire for more information.

**Gift Cards:** Gift cards can be added to individual packages within an order. Add \$.25 per piece if you supply your own gift card to the factory and all cards are the same. Add \$2.50 to match a specific card to a corresponding package. Factory can create gift cards for a charge of \$1.25 per piece plus a \$60 set up charge. Factory-made gift cards are 5" W x 3"H with a 25-piece minimum.

**Warm Weather Shipping:** If the outside temperature exceeds 70 degrees, shipping coolers may be required when shipping chocolate and other meltable items. For standard shipments, Add \$15 per cooler, per carton. For drop shipments, add \$5 per cooler, per location - pricing may vary based on size of item, call factory for quote.

**Random Samples:** Sample orders totaling less than \$15 will be billed at no charge, however we will require your UPS or FedEx shipper number for freight.

**Artwork Specifications:** Add \$5 per artwork. Email art to the factory. Add \$5 per artwork proof. Please be sure to identify your artwork by submitting it with the purchase order number referenced in the subject line. Artwork must be provided as vector art. Artwork can be submitted as .EPS, .AI or .PDF files created in Adobe Illustrator CS5 for PC or CorelDraw X4 for PC. All fonts must be converted to outlines or curves. Raster art saved at 300 DPI or higher and actual size is also acceptable for 4 color process artworks only. Template and image requests can be found on our website or by emailing factory.

**Set Up Charges:** Initial orders are subject to the set-up charge(s) listed under the specifications and charges of an item. Reorder set up charges are billed at 1/2 of the initial setup charge. Artwork is kept on file for 1 year. **PMS Match:** PMS color match is available on direct imprint orders only. Add \$40 per PMS match. Stock colors are offered as an exact match for no additional charge. Factory will match PMS colors as closely as possible if there is no exact match needed. Due to different surfaces and methods of imprinting, colors may appear differently.

**Rights to Promotion:** We reserve the right to use all products in our advertising and displays unless otherwise notified in writing at the time of order.

**Disclaimer:** Prices are subject to change. Website pricing supersedes catalog pricing. Factory cannot guarantee continuity of exact shade, color, size, weight, texture or construction of finished goods. If a product is not available at time of shipment, a product of equal or greater value may be substituted.
