The Finishing Touch

As you wrap up your holiday gifting plans, don't forget - it's the little details that make the biggest impact. Whether it's a personalized message, branded packaging, or custom colors to match your company's spirit, we're here to add that extra sparkle.

Add a Personal Touch...

Make your gift even more memorable by including a full-color custom gift card, printed and inserted by us. For just \$1.25 (V) per card plus a one-time \$60 (V) setup (includes one design for all cards), we'll tuck a personalized card into each gift. Cards measure 5" W x 3" H and are printed on premium cardstock. Want to use your own pre-printed cards? No problem - add \$0.25 (V) per insertion. Please note: All cards must be identical, or a \$2.50 (V) matching charge per unique card will apply. Contact us for variable data options.

Stress Free Shipping...

Let us take care of the logistics while you enjoy the giving. With our Drop Shipment service, we'll ship gifts directly to each recipient on your behalf. Drop shipments are just \$2.50 (V) per location when using our Excel template - or \$3.00 (V) without it. Each drop ship location requires an individual mailer unless otherwise specified (add \$2.00 (V) per mailer). Standard shipping charges apply.

Let us help you turn every gift into a memorable moment!
