PromoStandards

Bay State provides electronic data exchange for stock status, order status, and order shipment notification. For more information please visit **www.promostandards.org**.

ORDERING INFORMATION

E-mail Orders & Artwork

E-mail orders should be sent to orders@baystate.com. Vector artwork should be sent to artwork@baystate.com. Also, please send a .PDF or .JPEG of the artwork to both email addresses. Reference PO # and company name in the subject lines.

Samples

Random or blank samples are sent at no charge via first class mail. With your shipper number, we can ship via Fed-ex or UPS. Any requested received after 3:00pm EST will be processed the next business day. Send requests to samples@baystate.com.

Standard Production Time

5 working days on catalog quantities with a one color imprint with the exception of laser engraving. *Production time begins the first working day after receipt of your complete order. All other orders for catalog quantities will ship in 7-10 working days. Important: An order is not considered complete until we have received both your purchase order and artwork. If a paper proof is requested, production time will not begin until we receive approval. *Please contact factory for LASER ENGRAVING lead-time as it may vary based on production demands.

Acknowledgements

All orders are acknowledged via fax / email. *Please read the acknowledgement carefully!* Orders are processed according to the information provided. You will also receive a faxed or emailed shipping acknowledgment the day your order ships. 24 hour order status and package tracking is available on our website at www.baystate.com.

Proofs

Emailed / Faxed Proofs One emailed or faxed proof is available at no charge upon request. Additional paper proofs are charged at \$12.50 (g) each. Production time does not begin until proof approval is received.

Online Proofs Online proofs are available 24 hours a day on our website at www.baystate.com. Proofs are available within 1-2 days of receipt of order and will remain online for 14 days. Online proofs are free to view. *Important: We do not hold your order for approval of the online proof.* Any changes to online proofs will incur a \$60.00 (g) change of copy charge.

Virtual Product Proofs We can provide a digital image of your imprint on any of our products. There is no charge for this service. Send detailed request with usable art to artwork@baystate.com. *Must provide print ready artwork. Any art that requires retouching is subject to art charges.

Preproduction Product Proofs A physical product proof is \$60.00 (g). Production time is increased by the time required for proof approval, this is usually 5 working days.

Speculative Samples

Spec samples can be ordered for \$60.00 (g). Submit request as a purchase order via email to orders@baystate.com and artwork to artwork@baystate.com. Reference PO # and company name in the subject lines.

Product Pricing

Our catalog prices, plus the setup charge, include a one-location / one-color imprint.

Blank Stock

While our prices include an advertising imprint as a courtesy to clients, all products may be purchased blank at the end-quantity price.

Laser Engraving

Laser engraving is available on bamboo products, please add an additional \$1.25 (g) per piece. Laser engraving is standard on metal flashlights and most drinkware.

QR Codes

Please note QR codes may experience inconsistencies in functionality due to various factors such as print quality, surface material, or scanning conditions. As a result, we require proof approvals for all orders that include QR codes to ensure proper placement and scannability before production. We do not guarantee the readability of QR codes. We do not recommend QR codes on any products due to printing distortions.

Combination Pricing

Artwork Specifications

Camera Ready Art Clean, crisp, black and white art printed at 600 dpi or greater on white paper. For multi-color artwork, please provide camera-separated artwork, non-separated artwork will incur art charges

Electronic Art Providing print ready vector art will result in a higher quality finished product and can also reduce your setup costs. A common program used to create vector art is Adobe Illustrator. Files created in this program should be saved with the file extensions such as .eps, .ai, and .pdf with all text converted to outlines.

Typeset Copy

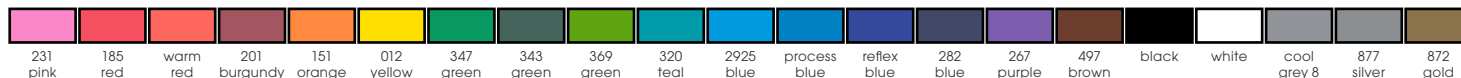

Your price includes up to four (4) lines of typeset text at no charge. Additional lines are subject to art charges. We have hundreds of type styles available to us. Please let us know what style you are looking for and we will review our database to match it.

Art Charge

Any art that requires retouching will be billed at \$75.00 (g) per hour with a minimum charge of \$50.00 (g).

Standard Imprint Colors

Due to different materials and different background colors, the imprint colors below are shown only as a representative sample. We can not guarantee an exact match when printing 4-Color Process.

Color Matching

We can not guarantee an exact PMS color match or digital CMYK color match because of the variation in the material being printed. We will come as close as possible when matching specified colors and recommend pre-production proofs for orders with color critical artwork. There is a \$60.00 (g) charge for printing non standard ink colors.

Catalog Pictures

The artwork, designs, and logos displayed in this catalog are only representations of the products and imprinting methods available. They do not represent that the products are endorsed by or produced for the owners of the artwork, designs, or logos.

Bay State guarantees all products to be free from defects of material and workmanship. Any products found to be defective will be replaced. Also, we guarantee the accuracy and quality of our imprinting. Orders imprinted incorrectly, as the result of an error by Bay State, will be redone at no charge.

PROP 65 

"Prop 65 requires the State of California to publish a list of chemicals known to cause cancer or birth defects or other reproductive harm. It requires businesses to notify Californians about significant amounts of chemicals in the products they purchase, in their home/workplace, or are released into the environment. By providing this information, Prop 65 enables Californians to make informed decisions about protecting themselves from exposure to these chemicals."
