COMMITTED TO SUSTAINABILITY

These thoughtfully crafted items represent a commitment to a healthier planet, a brighter future, and a more responsible way of living.

Here at KTI we offer a world of eco-friendly products that you will actually use and reuse.

By opting for eco-friendly products, you actively participate in reducing harmful emissions, conserving water, and preserving our ecosystems.

These choices lessen the strain on our planet, helping it recover and regenerate.

Natural Cork Material

Natural Cork is lightweight, durable, naturally antimicrobial and impermeable to water. Not only is the low amount of production process very efficient, cork is also consciously harvested by hand every 7-10 years from the bark of oak trees. This makes cork an easy choice when it comes to sustainable design in consumer electronics.

Wheat Straw Plastic

Wheat straw plastics represent a pioneering and eco-friendly solution at the intersection of agriculture and sustainable materials. As society's awareness of the need for environmentally responsible alternatives to traditional plastics continues to grow, wheat straw plastics have emerged as a shining example of innovation in the pursuit of a greener future.

360° Motion Tracking Selfie Holder

MA80

The Tuba 360° is a motion tracking device by Xoopar. The MA80 grips your phone, and holds it steady while the face tracker moves with you. It has an ultra fast tracking response time, so you won't miss a beat.

Perfect for demonstration sessions, video conferencing, and hands-free training sessions. Made from biodegradable wheat straw, this smartphone stand was made with the environment in mind.

Eco Friendly Bluetooth Speaker

CA110

The speaker contains recycled plastic and natural cork; consequently reducing the amount of plastic during the manufacturing process and providing an anti-bacterial surface.

The added-on features of this speaker allow it to turn into a conference speaker with dual-built microphones and noise-canceling.

Eco Friendly Power Bank

PB54

Biodegradable power that helps promote your sustainability. This power bank features dual USB ports to support charging two devices, an eco friendly micro USB cable, indicator lights, and 5000 mAh of power.

Eco Friendly Wireless Charging Speaker

CA64

Take it with you on the go, small and portable. Boxed in 100% recyclable packaging, this item also includes an eco-friendly micro USB cable. Featuring a 5-watts wireless charger and phone holder.

Eco Friendly Travel Cable Kit

CH06

Biodegradable, reusable, compact, and easy to carry. Inside you will find: a Type-C to Type-C cable, Standard USB Connector, Lightning Connector, Micro USB Connector, and a SIM Card Tray Opener. Not to mention the case also turns into a phone stand.

Eco Friendly Foldable Wireless Charger

WC30

Featuring a 15 watt wireless charger, a foldable design to support various charging modes, a biodegradable housing, LED indicators, foreign object detection and overcharge protection.

Eco Friendly Light-up USB Drive

EFB20

The Eco light-up USB Drive blends the timeless beauty of natural wood with the modern convenience of LED technology. The LED light not only serves as an aesthetic marvel but also acts as a functional indicator, letting you know when the drive is in use. Choose from a range of storage capacities to suit your needs, from compact 512GB options to spacious 128GB.

Eco Friendly Type-C Swivel OTG Drive

SP46

With dual connectors – USB-A and Type-C, this drive effortlessly links to both your traditional computers and modern devices. No more hassle of searching for different adapters or cables. Crafted from eco-friendly materials.

**Eco Friendly
USB Drive 700**

EFP17

This ECO Friendly USB Drive is the perfect blend of cutting-edge technology and eco-conscious design, making it the ideal choice for environmentally conscious individuals and businesses. This USB drive offers lightning fast data transfer speeds, ensuring you can access your files quickly and efficiently. Join us in reducing electronic waste and promoting eco-conscious choices while enjoying the convenience of a high-performance USB drive.

**Eco Friendly
USB Drive 400**

EFB04

This compact eco-friendly drive is made from bamboo or wood of your choice. It features a removable magnetic cap. This drive is elegance through simplicity, it is lightweight and easy to carry.

Bamboo Wireless Charger

WC05

Eliminate the need for cables with this Eco- Friendly Bamboo Wireless Charger. This sleek accessory works with wireless charging capable-mobile devices. Just place your compatible smartphone on the charging pad and voila, your phone begins to charge - no cable is needed.

**Eco Friendly
USB Hub**

HU320

Elevate your workspace with this sleek and sustainable USB hub crafted from premium bamboo. This hub allows you to connect multiple devices simultaneously, making it the perfect companion for your modern digital lifestyle.

Dual Type-C Bamboo Charging Cable

CA52

Made with recycled, biodegradable wheat plastic and natural renewable bamboo. This multi cable connector will keep all your mobile devices talking, featuring two Type-C ports this charger ensures lightning fast charging.

Dual Type -C Eco Friendly Charging Cable

CA54

This sleek charging cable is designed with the future in mind, catering to your charging needs while minimizing your environmental footprint. Made with biodegradable wheat plastic materials to give you a greener option. Easily charge all of your devices! Equipped with two Type-C ports, this charger ensures lightning-fast charging or your devices.

Eco Friendly Data Blocker

AD17

This sleek and compact device acts as a digital gatekeeper, ensuring that your devices remain safe from unauthorized data transfers and malicious activities. Crafted with sustainability in mind, this data blocker features a sleek and durable wheat straw plastic casing.

Eco Friendly 3-in-1 Data Blocker

AD20

Featuring USB -C, Lightning, and micro USB ports. Crafted with sustainability in mind, this data blocker features a sleek and durable wheat straw plastic casing.

Video Brochure

Video Brochures are a highly targeted audio/visual communication piece, connecting with customers at the right time to deliver a strong video marketing message that is distinguishable from standard, traditional content.

Video brochures combine the effectiveness of traditional print brochures with the engagement and flashiness of multimedia videos, bringing customers a fully interactive experience. Our video brochures are fully custom, featuring a 7 inch built-in screen by default.

Larger and smaller screens are available if needed.

Stylus & Pen

Make your mark in the business world with branded pens and styluses. Customized with your logo and message, they become powerful marketing tools. From corporate gifts to promotional giveaways, these items enhance your brand visibility and leave a lasting impression on potential customers.

Magnetic Stylus pen

ST60

Featuring advanced magnetic technology, this stylus attaches to the side of your tablet or device, ensuring it's always within reach when inspiration strikes. No more fumbling for your stylus in the depths of your bag – it's securely stored right where you need it. No Bluetooth connection required, just gently touch the power button to use and you're ready to go.

Active Pen Point Stylus pen

ST50

This Active Stylus Pen is a fast charging pen that is made of a coated metal and feels amazing in the hand. Made to move effortlessly and smoothly across touchscreen devices. Use it to navigate on a phone, tablet or touch screen. Use it to draw, or make selections by tapping.

All-in-One Pen/Stylus

ST16

Featuring a triangular shape this Pen/Stylus has everything you need and more. Not only is it a Pen/Stylus, but it also has a ruler on one side of the pen as well as featuring a phone holder, a screen cleaner, and if you remove the end where the phone holder is, there is even a Flat/Phillips Head 2-in-1 Screwdriver.

Baseball Bat Pen Stylus

ST14

This stylus allows you to use your touch screen electronics without getting fingerprints on the screen! Now with this nifty baseball bat styled stylus, you can be sure to stay current with all your emails and websites on your mobiles and pads. Jot notes down with the ballpoint pen on the other end. Design is great for college and sport setting technology users.

Executive Pen with USB & Stylus

EX15

Multi-functional for the executive who needs it all! This twist pen features a pen cap with a rubber stylus, made to use with touchscreen technology. Pull off the cap to reveal the gold finger USB drive. The color coated barrel has a sleek glossy finish with silver trim and a pen clip.

Executive USB Pen Drive 900

EX09

This pen brings a touch of class with its wood barrel and chrome design. This twist action ball point pen hides a USB drive in the barrel.

OTG Drives

On the go drives are the ultimate solution for your portable storage needs!

With lightning-fast transfer speeds, you can effortlessly move large files, photos, videos, and documents in a flash. The USB interface ensures compatibility with a wide range of devices, including laptops, tablets, and smartphones, making it the perfect companion for professionals and students alike. Don't compromise on speed and storage space with these OTG Drives.

Type-C Swivel OTG Drive

SP32C

A sleek, metal flash drive with built-in LED lights to light up your logo, talk about AWESOME! This LED USB Drive is housed in a sleek, metal casing that lights up your logo when plugged into a USB Port. Laser engrave your logo on the stem of the drive or have your logo cutout on the light-up portion to add some extra pizzazz to this drive.

LED Key USB Drive

LE28

A sleek, metal, key shaped flash drive with built-in LED lights to light up your logo...talk about AWESOME! This LED USB Drive is housed in a sleek, metal casing that lights up your logo when plugged into a USB Port. Laser engrave your logo on the stem of the drive or have your logo cutout on the light-up portion to add some extra pizzazz to this drive.

Acrylic Light-up USB Drive

LE40

Choose from a range of storage capacities to suit your needs, from compact 1GB options to spacious 64GB. The LED light strip embedded in the USB drive casing illuminates during data transfer, casting a captivating and dynamic light display. Built to withstand everyday use while maintaining its sleep appearance.

7-in-1 Type-C Hub

HU355

Designed with the modern user in mind, this hub expands your connectivity options, turning a single USB port into a multi-functional powerhouse. Featuring one USB 3.0, one USB 2.0, two Type-C, one HDTV port, one SD card slot, and one TF slot. Move large files in seconds and enjoy seamless multimedia streaming without any lag. Experience the freedom to do more, effortlessly.

Type-C Multiport USB Hub

HU305

This Type-C Multiport USB HUB adapter bridges the gap between standard USB and USB-C to connect older electronics to your USB C laptop or device. The slim body and sleek design make the Type-c Multiport USB Hub a perfect match for your laptop.

Type-C USB Hub

HU340

Have a laptop that has a Type C port and no USB ports? Now all you need to do is plug the Type C connector in to your Type C port and now you have 4 available USB ports to use on your company. No extra software or hardware needed. These USB ports also support USB 3.0 technology meaning you can get faster data transfer. This is simply a plug and use product. You can imprint your logo on the top or bottom of the USB port area.

Moe The Robot Hub

HU19

Equipped with 4 USB ports, you can plug in your mouse, keyboard or any other USB device! 1 port with 4 USB ports now that's efficiency! This fun little desktop hub has movable arms and glowing blue LED eyes when transferring data.

GALVESTON BAY FOUNDATION

As a commitment to practice environmental and social sustainability we have partnered with NFP Galveston Bay Foundation to be good stewards of the environment and the social landscape in which we operate.

The **Galveston Bay Foundation** is a conservation nonprofit that has served as guardian of Galveston Bay since 1987. Their mission is to preserve and enhance Galveston Bay as a healthy and productive natural estuary. They work to facilitate a true cross-section of Bay interests through creative, inclusive and forward-thinking solutions to the challenges confronting Galveston Bay.

Galveston Bay is the seventh-largest estuary in the United States, and the largest of seven major estuaries along the Texas Gulf Coast. It is connected to the Gulf of Mexico and is surrounded by sub-tropical marshes and prairies on the mainland. The water in the bay is a complex mixture of sea water and fresh water, which supports a wide variety of marine life.

By partnering with the Galveston Bay Foundation, KTI also partners with nonprofits at the national, state and local levels such as the Texas Living Waters Project, Land Trust Alliance, EarthShare of Texas and the organization Restore America's Estuaries.

Express Service

SAME DAY

NEXT DAY

2 DAYS

4 OR 5-7 DAYS

Disclaimers

Orders must be submitted in writing. Please call to confirm receipt of purchase order. Verbal orders are not formal or final.

Samples

Blank or random sample of most items are available to be shipped using the distributor's or third party's shipping account number and samples are billed at end quantity prices. Dummy samples can be shipped at no charge, exceptions apply.

Pricing

Pricing is updated on a regular basis, but may change without notice. Pricing posted on our website prevails.

Invoicing and Terms

We accept checks, ACH payments, wire transfers or credit cards (Visa, Mastercard, Discover and American Express). Net terms are available upon application approval (can take up to 72 hours). Note: Orders paid for with foreign checks may be subject to additional fees. KTI Promo only accepts payment in US currency.

Shipping

Split shipments are available. Any more than three splits are subject to a handling fee per shipment. International shipments are also subject to a handling fee. Ask your account representative for more details.

Return Policy

If there is a defect in the imprinting, product quality or data load, please call our RMA Department to arrange for a return. All returns must be pre-approved and assigned an RMA number before shipping back to KTI. No returns will be accepted for custom orders. Returns for blank products may be accepted (subject to a 25% restocking fee) if returned within 30 days in new condition. Consumable parts (i.e. batteries, pen refills, etc.) will not be considered for RMA claims. Warranty only extends for twelve months.

Rush Orders

Rush production is available on some of our products for an additional charge. Please call and discuss production times with your account representative before placing a rush order. Cancellation will not be accepted for confirmed rush orders.

Cancellations

Be advised that canceled orders will be charged according to the costs incurred up until the date of cancellation including, but not limited to: art, screens, shipping and merchandise. In addition, a 25% restocking fee will be added. Completed orders and/or rush orders are not subject to cancellation. No cancellations will be accepted for Express Service or confirmed Rush orders.

Warranty

All of our products and accessories are guaranteed against defects for one year. Consumable parts, including but not limited to, batteries and pen refills, are not covered under this warranty.

Claims Procedures

If you have a claim related to your shipments, you must contact us within 3 business days of delivery of the product for a resolution.

At **KTI Promo**, we believe that technology has the power to transform promotional marketing into an interactive and memorable experience.

We are dedicated to helping businesses leverage this potential to boost their brand visibility and engage with their target audiences in innovative ways.
