HOSPITAL

DUAL WIRELESS CHARGING PHONE STAND ●●

This 15-watt wireless charger supports multi-charging, and it is compatible with all the mobile devices. The ergonomic design allows the user to adjust the stand's height & angle, providing a comfortable view; for the upper charger, you can charge your phone horizontally or vertically with the 15W wireless charger; for the lower charger, you can charge earbuds or your phone horizontally with the 5W wireless charger.

FOLDABLE WIRELESS CHARGING PHONE STAND ●●

This 15-watt wireless charger supports fast charging, and it is compatible with all mobile devices. The ergonomic design allows the user to adjust the stand's height & angle, providing a comfortable view; for the upper charger, you can charge your phone horizontally or vertically.

MOBILE ACCESSORIES

3-IN-1 WIRELESS CHARGING DOCK ●●

Featuring 15W wireless charging, it provides fast and efficient power for all your devices. This dock boasts universal compatibility, accommodating a wide range of devices. Its intelligent safety features protect against overheating and short circuits, ensuring your devices are charged safely.

TYPE-C BAMBOO USB HUB WITH STAND

This all-in-one solution for device management and eco-friendly style is crafted from sustainable bamboo. It features 4 ports, including two USB 2.0 and two Type-C ports, and serves as both a phone stand and a sticky note holder. The bamboo housing supports eco-friendly living while bringing a touch of nature to your workspace.

ECO FOLDING BAMBOO CHARGING STAND

Featuring 15W wireless charging, this stand is compact, portable, and stylish, making it ideal for home, office, or travel. Its sustainable bamboo housing reflects your commitment to the environment, while universal compatibility ensures it works with all your devices. Embrace sustainable living without compromising on functionality or style.

ON-THE-GO TECH

LED SLING BAG

LED lights embedded seamlessly into the fabric of the backpack. Just download the app, and choose from a spectrum of vibrant colors to match your company's logo, outfit, or environment. Designed for any weather conditions. Its water repellent external material and sealed zipper will keep your precious cargos safe.

3-IN-1 LED POWER BANK

Packed with an integrated Lightning cable, an integrated USB-C cable, Micro-USB and a built-in USB port. Carrying USB cables is a thing of the past, not only are the cables built in for effortless charging but this self-contained power source makes for effortless recharging.

MAGNETIC WIRELESS CHARGING POWER BANK ●●

Integrated Type-C, USB, and Lightning charging cables, fast 15W charging, and Qi wireless technology, this compact power-house ensures your devices stay charged anywhere. Simultaneously charge five devices, monitor battery status with the power indicator, and enjoy unmatched convenience.

ROLL-UP WATER BOTTLE

You can take this water bottle almost anywhere without any added bulk to your stuff. When you want to use the bottle, simply unhook the silicone strap and release the Built-In Straw at the top and the bottle will self-inflate. When it comes to cleaning, you can hand wash it with soap and water or throw it in the dishwasher.

WATER BOTTLE CARRIER BAG

Crafted from durable materials, this carrier bag is designed to hold bottles of various sizes securely. Its adjustable shoulder strap ensures a comfortable fit for all body types, while the insulated interior keeps your drink cool or warm for hours.

WEARABLE USB DRIVE WITH LED LIGHT ●●●

This sleek accessory combines portable storage with style, serving as both a USB stick and a trendy wristband. With ample memory and lightning-fast data transfer rates, it's your go-to solution for file backup and access on the go. Plus, its built-in LED light adds flair and functionality to any outfit. Stay connected and stylish with our Wearable USB Flash Drive - the perfect companion for your busy lifestyle.

MAGNETIC CHARGING MAT ●●

Featuring three separate charging surfaces. 15 W phone charging, 3 W headphone charging, and 2.5 W smartwatch charging. Upgrade your charging experience with the 3-in-1 Magnetic Charging Mat—a stylish, efficient, and hassle-free solution for all your charging needs.

SMART OFFICE

MAGNETIC CABLE CLIPS ● ●

Designed with versatility in mind, our clips are compatible with various surfaces. From desks and night-stands to walls and car interiors. Installation is a breeze, simply peel off the reusable adhesive backing and stick the clips wherever you desire.

FAST USB-C WALL CHARGER

Ready to fast charge your devices with 30W of power it can charge your mobile devices up to 50% in only 30 minutes. It also includes a USB port as well as a Type-C port so you can fast charge two devices. The fast charge feature is compatible with both iPhone and Android devices.

GaN 35W WALL CHARGER

Featuring cutting-edge GaN technology, this charger offers superior efficiency and reduced heat output compared to traditional models. With its powerful PD Port, it ensures accelerated charging for your Apple devices, keeping you powered up and ready to go. Despite its robust capabilities, the charger boasts a compact, travel friendly design, making it an essential addition to your travel kit.

With dual connectors – USB-A and Type-C, this drive effortlessly links to both your traditional computers and modern devices. No more hassle of searching for different adapters or cables. Don't miss out on the opportunity to simplify your data management experience.

DUAL USB DRIVE

MINI DUAL USB DRIVE

VIDEO MARKETING

VIDEO BOX

Featuring a crystal-clear HD screen, it plays your video message as soon as it's opened, adding a dynamic, emotional touch to any occasion. With an easy-to-use interface, you can upload your video via USB, and its rechargeable battery ensures long lasting playback. The exterior is fully customizable with various finishes and designs, making it perfect for weddings, anniversaries, birthdays, or corporate events.

VIDEO BROCHURE

Video Brochures are a highly targeted audio/visual communication piece, connecting with customers at the right time to deliver a strong video marketing message that is distinguishable from standard, traditional content. Video brochures combine the effectiveness of traditional print brochures with the engagement and flashiness of multimedia videos, bringing customers a fully interactive experience.

PERSONAL ACCESSORIES

WIRELESS MICROPHONE

The compact and discreet lapel design allows you to effortlessly clip it onto your attire, keeping your hands free and your focus on what matters. Easy to set up and compatible with a variety of devices, this microphone is a plug and-play solution for all your audio needs. The rechargeable battery ensures long-lasting performance, and the sleek, durable build is ready to withstand the demands of your dynamic lifestyle.

TWS EARBUDS

The sleek and ergonomic design ensures a secure fit, whether you're hitting the gym, commuting, or simply relaxing at home. One-touch control makes managing your music and calls a breeze. Answer calls, adjust volume, and skip tracks with a simple tap, allowing you to stay connected without reaching for your device.

NOISE CANCELING EARBUDS

Designed to deliver crystal-clear sound quality, these sleek and stylish earbuds feature advanced active noise cancellation technology that effectively blocks out unwanted ambient noise. With a comfortable, ergonomic fit and long-lasting battery life, these earbuds are perfect for all-day wear, whether you're commuting, working, or relaxing.

EXECUTIVE POWER BOOK

Featuring a discreetly integrated 8000 mAh power bank with a built-in micro USB, USB-C, and Lightning charging cable. With its luxurious feel and practical functionality, this power book is the ultimate companion for those who appreciate both fashion and technology.

FIDGET CUBE

You can fidget at work, in class, & at home. This cube has six sides. 5 of the sides have something to fidget with, while the 6th side is a space for your logo. The 5 fidget sides give you the ability to: Press, Flip, Spin, Click, & Roll. Colors are customizable.

KEYCAP FIDGET KEYCHAIN

This compact and lightweight fidget tool offers a satisfying tactile experience to help alleviate stress and anxiety. Whether you're stuck in traffic, waiting in line, or facing a tough task, simply press the keypad for instant relief. Its discreet design ensures it's always within reach, easily attaching to your keys, backpack, or purse. Colors are customizable.

SMART CHARGING

COMPACT ADAPTER KIT ● ●

A slim case providing all the essential adapters in one place. Includes a Type-C to Type-C cable, USB Connector, Lightning Connector, Micro USB Connector, Micro SD and two Nano Sim holders, and a SIM Card Tray Opener. This case also turns into a handy phone stand for your convenience.

A revolutionary solution that combines cutting-edge technology with a commitment to sustainability. This versatile cable is designed to meet all your charging needs while minimizing your environmental footprint. Equipped with two Type-C ports, this charger ensures lightning-fast charging for your devices, whether it's your smartphone, tablet, or other USB-C compatible gadgets.

DUAL TYPE-C BAMBOO CHARGING CABLE

DUAL TYPE-C BAMBOO CHARGING CABLE

BAMBOO WIRELESS CHARGER

Featuring 10-watt charging power, your phone will be charged and ready to go in no time. This wireless charger is made of bamboo so while not only being ahead of the tech game you can also show your love for the environment.

FULL COLOR LIGHT UP WIRELESS CHARGER

This remarkable device combines advanced wireless charging technology with a captivating LED light display, resulting in a seamless blend of functionality and aesthetics. With a gentle glow will light up your logo, it creates a calming ambiance that is perfect for workspace or nightstands.
