FAQs:

Are these kits customizable?

Yes. Each item can be printed with 1 color logo only. You can print different designs on each item as long as it's 1 color. Box Imprint & Custom insert cards are not available at this time.

What's the setup fee for printing on all items?

You pay one setup fee which is **\$125 (g)**

Will I receive a proof?

Yes. A proof will be provided if stated on your purchase order.

Can items be swapped out?

These kits are designed as **pre-built solutions**. Minor substitutions are not available at this time.

Are kits sold only as a set?

Kits are sold as a **bundled set** to maintain pricing, packaging, and production efficiency. However, these items can also be sold separately.

Do they ship assembled?

Yes. Each kit is assembled and packaged in the designated kitting box, ready for distribution.

Can kits ship to multiple addresses?

Not available right now.

What is the turnaround time?

7 business days after approval.

What's the minimum order quantity?

MOQ – **12 kits**

Are these available on the website?

Yes. Kits are merchandised online as complete solutions, with individual SKUs listed for reference.

When should I recommend a kit instead of individual items?

Employee onboarding | School or student programs | Sustainability initiatives | Event giveaways | Appreciation or welcome gifts | If a customer wants "one cohesive gift," lead with a kit.
