DIGITEK + FULL COLOR WRAP DRINKWARE

Our new digital printing technology provides dynamic full color printing on drinkware. The perfect solution if you need to print complex multi-color logos, photos or artwork. Large full-wrap imprint. You can even personalize each individual bottle with a different name, for an additional run charge, as long as you use the same base artwork.

Great for sports teams, business groups, wedding parties, special events and non-profits looking for consistent full color artwork, photos or branding.
