## NEW PRODUCTS

---

### MENU SCANNER - page 43

The perfect product for the new way of dining out! The Menu Scanner gives diners a direct link to the restaurants menu and ordering system through their cell phone. Advertisers products and logo are front and center when making drink or food choices. It can also be used as signage to link shoppers to a website or information.

---

### NO TOUCH TOOL - page 49

A Covid necessity to help avoid germs, the ProRose No-Touch Tool features full color/full coverage graphics at a budget price and is the perfect tool for school or office. Fits flat in a regular envelope for mailing.

---

### ECO-FRIENDLY PRODUCTS - page 5

New disposable cups and plates that can be composted make good sense and reduces your environmental imprint. Several sizes and styles available.

---

### FULL COLOR TRAYS - page 55

5 different tray designs printed edge to edge with incredible full color graphics. The perfect promotion for a smoke shop or marijuana dispensaries as a rolling tray or gift with purchase at retail.

---

### SPORTS TRAYS - page 54

Perfectly replicate your sports venue in full color or use one of our stock designs. Big 11" x 16" tray with high walls and handles makes the perfect gift for boosters, season ticket holders and gift shops.

---

### FULL COLOR CUPS- page 17

Fabulous full color, full wrap in-mold decorating produces rich colors and finite detail to make the ordinary cup a collectible. 16 and 32 oz sizes.

## Bamboo Cutting Boards

Bamboo is actually a grass that grows to it's full height in a single growing season. Each plant can be harvested every year making it 100% renewable. Bamboo is harder and denser than most hard woods, making it ideal for cutting boards. We use only premium grade Bamboo and food grade glues. Bamboo should be hand washed and never put in a dishwasher.

## A NOTE ABOUT OUR PRODUCTS

ProRose products are made of a variety of plastic materials. Many of our products are surface imprinted, and imprints may fade or deteriorate over time. Cleaning our products using dishwashers, alcohol based cleansers, and abrasive cleaning agents will negatively affect the imprint and the products integrity and lifespan. For best results, rinse and pat dry with a soft cloth.

## SAFETY GUIDELINES

ProRose products are produced using the highest quality safety standards. Plastic resins are free of any and all mercury, cadmium and chromium compounds and are safe for use in direct food contact and packaging. Our printing inks are also free of lead and heavy metals. None of our products are made of polycarbonate and therefore do NOT contain Bisphenol-A (BPA). **All ProRose materials and inks are California Prop 65 compliant.**

Safety Notice: The products in this catalog are for promotional purposes only. They are not intended for use by children under 12 years old.

## ACKNOWLEDGMENTS

All orders are acknowledged with pricing and information pertaining to the order, as well as a projected shipping date. **Please read the acknowledgment carefully, and advise immediately of any discrepancies.**

## ART/GRAPHICS

Catalog prices include a 1-color imprint. We will reduce or enlarge as needed at no cost. Any touch-up, typesetting, or prep work to produce proper color separations will be billed additionally. ProRose accepts electronic artwork created in Adobe Illustrator, EPS Format, PDF Format. Type elements must be converted to outlines (curves). Your artwork files should be submitted via email to art@prorose.com. Halftone images need to be set up as 65 line screen. Each imprint color should be identified, and a hard copy of your art should accompany your order.

## SHIPPING

F.O.B. our factories in IL/CT/NJ/PA/MA/GA/NM. Shipments are made per your instructions, or per our discretion if not specified. UPS, Fed-Ex or common carrier (truck) if large enough. We can guarantee shipment date when necessary, but cannot guarantee arrival dates. Customer must authorize air shipments. Carriers base charges on dimensional weight, so package charges may exceed actual weight. Approximate freight rates are available on our website www.prorose.com. **Purchaser should promptly file all claims (damage, delay, or loss) with the delivering carrier. We are not responsible for damage or delays in transit.**

## SHIPPING SERVICE CHARGES

**Add \$12.50 (G)** each, for shipments to more than one address, split shipments and C.O.D. shipments. Orders required to ship via Fed Ex will incur a surcharge of \$3.00 per package.

## RUSH SERVICE

For orders requiring shipment in less than our stated lead time, **add \$75.00 (G)** Standard rush service is considered shipping within 5-9 days of receipt of order and artwork approval. Super rush service is considered shipping in less than 5 days of receipt of order and artwork approval, **add \$125.00 (G).**

**All rush services must be confirmed and approved by ProRose, pending product availability and production capability.**

## OVERRUNS & UNDERRUNS

All shipments will attempt to be as per the order quantity. We reserve the right to ship and bill up to 10% over or under the desired quantity due to various manufacturing factors. **Add \$30.00 (G)** for exact quantities. **All orders will be rounded to the next full case pack to prevent damage in transit.**

## LESS THAN MINIMUM

**Add \$60.00 (G)** for below 1st column pricing. Absolute minimum quantity varies per product (please call for specific minimums available for the product you are interested in). **One color imprint only on any less than minimum order.**

## PRE-PRODUCTION PROOFS

If pre-production proofs are needed, costs are **\$50.00 (G) per color for product proof** + cost of product. Add \$125.00 for offset print job pre-productions. **Be advised that proofs will extend delivery by approximately 2 weeks.** Pre-Production proofs are not available on certain items.
