keystone

For over 30 years the Keystone Line has been providing best-selling items to promote your brand and delivering them with industry recognized service and value. While our core product line is a wide range of stylish and economical water bottles, we offer many other classic and popular promotional items. Please enjoy browsing our product catalog and be sure to visit www.keystoneline.com frequently to see our entire product line, new arrivals, current pricing and ordering details.

Need an item in a hurry? Look for the Fast Lane logo next to items that can ship as early as 3 working days.
(see www.keystoneline.com for program details)

WE ARE DOING OUR PART FOR THE ENVIRONMENT

- Our facilities are heated with efficient, clean burning natural gas.
- We use energy efficient LED lighting in all our buildings.
- We recycle over 150 tons of cardboard and plastic annually.

We are proud to have just recently completed a successful SMETA 4 Pillar Social Audit. This is a testament to our unwavering commitment to creating a safe and responsible workplace for our employees and an ethically responsible supply chain for our customers.

Keystone was an early adopter of the PPAI Code of Conduct and an annual attendee of the PPAI Product Responsibility Summit. We believe strongly in product safety and compliance. All of our products meet or exceed all published State, Federal, FDA and CPSIA guidelines and are Prop 65 Compliant. Testing documentation for any product is available upon request.

We are pleased to offer an extensive variety of products that are refillable, reusable and recyclable. Several of our new products are made from recycled materials and we continue to expand our offerings in this category. You can feel good when you place your brand on a Keystone Line product.

Refillable, Reusable, Recyclable.....Responsible

keystone

Made in the USA

Keystone proudly manufactures over 150 items right here in the USA. If you are looking for a robust inventory and fast lead time, USA made items are great choice.
