## Sustainability Where It Matters

What is UpCycling? Garyline® is the first to offer this New 100% Post-Consumer Recycled material to the promo market. Diverting materials from the waste stream and recycling to create a product of higher quality and value than the original. Join us as we work toward an Eco-Responsible Future!

Single-Use Containers are given a Second Life as Reusable Sports Bottles that can be continually refilled which will divert hundreds more disposable bottles from landfills.

### Here's How It Works!
