# UPCYCLING™

To a Second Life!

## Sustainability Where It Matters

What is UpCycling? Garyline® is the first to offer this New 100% Post-Consumer Recycled material to the promo market. We are diverting materials from the waste stream and recycling to create a product of higher quality and value than the original. Join us as we work toward an Eco-Responsible Future!

Single-Use Containers are given a Second Life as Reusable Sports Bottles that can be continually refilled which will divert hundreds more disposable bottles from landfills.

### Here's How It Works!

Single-use PET materials are reclaimed from municipal recycling centers

Containers are sorted, shredded and sanitized to meet FDA compliance

Materials are Made into 100% Post-Consumer Recycled rPET

UpCycling™ to a Second Life

## As a primary manufacturer, we can custom mold many of our sports bottles with 100% Post-Consumer Recycled content!

**UpCycle Bottles**  
Always in stock

We can custom mold any of these bottles with 100% rPET in all colors except clear. Minimum 5,000 Quantity.
