# BEER GLASSES

Cheers to Cold Beer!  
St Regis has the finest selection of Beer Glasses, Pilsners and Steins suitable for every type of beer. Whether drinking a light blonde, a dark stout or your local IPA, we have the perfect glass to enjoy your favorite brew.

## DIFFERENT TYPES OF BEER

A Guide to the Various Flavours and Characteristics

### TULIP GLASSES

The Tulip Glass features a bulbous body that best captures the aromas of Belgian ales, stouts, saisons, and other ales.

### PINT GLASSES

Most popular due to their versatility, Pint Glasses compliment most beer types like IPAs, ales, stouts, and lagers.

### IMPERIAL PINT

Similar to Pint Glasses, the Imperial Glass has a small lip at the mouth for smooth drinking and is recommended for ales, lagers, and stouts.

### PILSNER GLASSES

To get the perfect head and body distribution of pilsners and lagers, pour in a tall and slightly curvaceous glass!

### IPA GLASSES

The IPA Glass is ideal for hoppy beers. They typically have a series of ridges toward the base that help release all the flavour and carbonation.

### BEER MUG

The best option if you want a sturdy, thick glass design to keep your beer cold for a long period of time. A handle makes this glass perfect for toasting!
