

HUGO BOSS

HUGO BOSS is a global leader in the upper premium apparel market. With around 14,700 employees worldwide, the German group develops and sells high-quality fashion and accessories under its BOSS and HUGO brands.

The products range from classic contemporary apparel, elegant evening fashion and casualwear through to shoes, leather accessories, and licensed products including fragrances, eyewear, watches, children's fashion, home textiles, and writing instruments.

The repositioning of the brands is accompanied by numerous events and campaigns, such as the sponsoring of premium sports, conveying brand values such as success, precision, innovation, and sustainability. Sponsorship of cultural events is a further key area of brand communications, with the group seeking to create common ground between art and fashion with respect to design, aesthetics and creativity.

The HUGO BOSS writing instrument line was launched in 2015 and has quickly become a force to be reckoned with on the premium writing market. Approaching this segment with a fashion house point of view, the HUGO BOSS line offers perfectly crafted and performant products, while focusing on innovative designs. The full range entails a matching writing accessories line, including notebooks, folders, and pen pouches, as well as an assortment of electronic products, consisting of powerbanks, earphones, speakers, and a wine bottle opener.
