Blankets

Most kids have some sort of object they carry around or sleep with that offers them comfort. Our popular blankies come in a variety of fabrics which aid in comforting children, calming anxiety, and putting them to sleep. Our tag blankets come in vibrant colors and have sewn-in "tags" which aid in sensory and cognitive development. The tags offer a tactile development tool. Tag blankets are also found to be helpful for people with anxiety, autism, senior citizens and those with developmental disabilities. Stock and custom designs are available.

OUR MISSION

Gibco Inc. is a wholesale supplier of promotional merchandise. Our goal is to supply safe, appealing and engaging products that aid in promotion and comply with applicable laws. We are committed to our distributors. We will maintain the integrity of the of the company brand by offering the finest in quality material and workmanship without cutting corners on compliance or safety.

SAMPLE POLICY

For custom plush toys, we will produce one average size 6"-8" prototype that closely matches your design for USD\$229.00 (per design). This is a great sales tool! Purchase Order is required for work to begin. Custom prototypes must be returned if an order is not placed. We will keep sample on file for three years. Other products may have a sample fee, a setup fee, a tooling fee or other fees. This may include plastics, vinyl, sleeping bags and other specially sourced merchandise. Call for details.

CUSTOM DESIGN

We specialize in making quality plush toys and other merchandise from any design, photo or illustration. If you do not have an existing design, we are happy to produce one for you. This includes mascots for plush toy representation. Art fees may apply and are quoted based upon project needs. When necessary, our art department may need to revise artwork to meet production requirements. Fees may apply.

ARTWORK

To produce a sample that matches our design as close as possible and to guarantee the best possible decoration, please submit artwork including logos in vector format. Gibco is not responsible for decoration quality when poor artwork has been sent and client has been advised.

PRODUCT SAFETY

Partner with an experienced, trusted and reputable supplier. Gibco will only produce products made with the finest in quality materials and workmanship. Our team inspection approach from design-to-delivery simply works. Our products are compliant with mandatory federal CPSIA and independent state laws including CA Prop-65 and IL Lead Act. All toys and items intended for use by children are safety tested for All Ages at an independent CPSC accredited safety testing facility. Gibco coordinates all testing and results are sent to distributor. Additional safety information including our comprehensive Code of Ethical Compliance can be found on our website.

PRODUCTION TIME

Sample production takes approximately 15-30 days after receipt of order. Photos are e-mailed for approval prior to sample shipping. Production time for minimum quantity order is 45-60 days and is subject to change due to order size, material availability, production schedule and unforeseen delays.

PACKAGING

All orders are bulk-packed unless noted on quotation. Quantity per carton is subject to change. Poly bags with printed safety disclaimer and logo are available for additional cost. We also offer printed boxes, and bags. Call us for details.

SHIPPING

Unless otherwise requested, Gibco will quote your order FOB Seattle, WA. Ocean freight and brokerage is included. Inland delivery and unforeseen shipping expenses such as customs inspection, tariffs and palletization may be additional and invoiced accordingly. Rush shipments by air are available. If customer opts to ship on their own shipper account number, they accept all responsibility upon acceptance of goods. Delivery address must appear legibly on all orders.
