## Bold. Weather-Ready. Fully Customized.

Our fully customized tents are a brand statement that's impossible to miss. Featuring vibrant, full-color printing on durable 600D Polyurethane-coated polyester canopies built for performance. UV protection, water resistance, and NFPA701-compliant flame resistance all come standard with our tents, and frames are available in three rugged styles to suit any event or budget. Whether their style is simple and streamlined or tricked out with all the extras, we have you and your customer fully covered.

### All Tent Canopies:

- Full coverage on 4 sides, peaks and valances
- Full-color dye sublimation print
- 600D Polyurethane coated polyester resists fading
- No setup charges
- Free PMS color match
- UV protected, water-resistant fabric
- Flame resistant, NFPA701-compliant

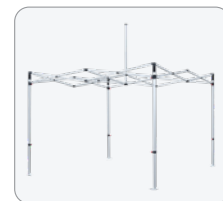

**ALL TENTS, HEX OR STEEL, INCLUDE  
A CARRY BAG WITH WHEELS**

## Introducing MagLock Modular Fabric Displays

Meet MagLock, our newest innovation in fabric displays. This modular display system combines premium dye-sublimated fabric graphics with magnetized aluminum tube frames for fast, secure assembly and endless configuration options. Create dynamic, customized *brandscapes* for tradeshow, showrooms, retail spaces, and more—no tools required. MagLock offers the ultimate in flexibility, letting you build, expand, and reconfigure your display as your brand evolves.

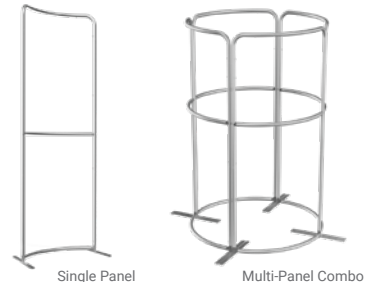

### Smart Magnetic Design

Built-in magnets let frames snap together at any angle, enabling fast setup and flexible layouts.

### Modular & Adjustable

Add or remove tubes to resize with ease.

### Flexible Display

Use one banner or connect panels.
