### Screen Printing Price Update - Effective Immediately -

We have been growing rapidly with our embroidery division and in order to accommodate this we have made drastic changes in our screen printing department and scaled back machines, staff, etc. Thus leading to price changes for SP. These price changes are effective February 28th, sorry we cant use ANY old pricing moving forward. This may put some of you in a bind, but its something we have to do here to accommodate the embroidery department. Our goal is to grow the embroidery and to do so we needed the room that the SP has used over the years.

# Embroidery prices are still the amazing low prices!
