- All artwork should be submitted as Vector art (.eps, .ai.) or as high res. .psd, .jpg, .pdf, or .tiff (300 dpi min. preferred)
- Converting artwork from 72 dpi to 300 dpi will not yield good results & in most cases not useable.
- Submit files in their native format with a transparent background.
- For Larger files use our drop box please - <https://www.yousendit.com/dropbox?dropbox=AtlasPublicDropBox>
- 100 % Cotton prints better than blends. On White we can print Poly or Cotton, however on non white, must be at least a 60/40 blend. Cotton will ALWAYS print better. Fleece must be 90% cotton, we recommend Hanes Print Pro Fleece.
- Polyester and Poly Blends will work ok as long as they are not treated with a stain resistant chemical.
- Avoid products with more than a 1 X 1 rib fabric. Print does not get into the grooves properly.
- Digital Printing is done in CMYK Process, there is no color matching, or pantone matching available.

Atlas is not responsible for shipments lost in transit.

All back orders billed as new orders.
