

USA MANUFACTURER OF

2D ZIP PULLS - MAGNETS

KEYCHAINS - PATCHES

KEY TAGS

Our molding can hold crisp detail and we can match your Pantone colors. If you have a unique shape, we can create that for you.

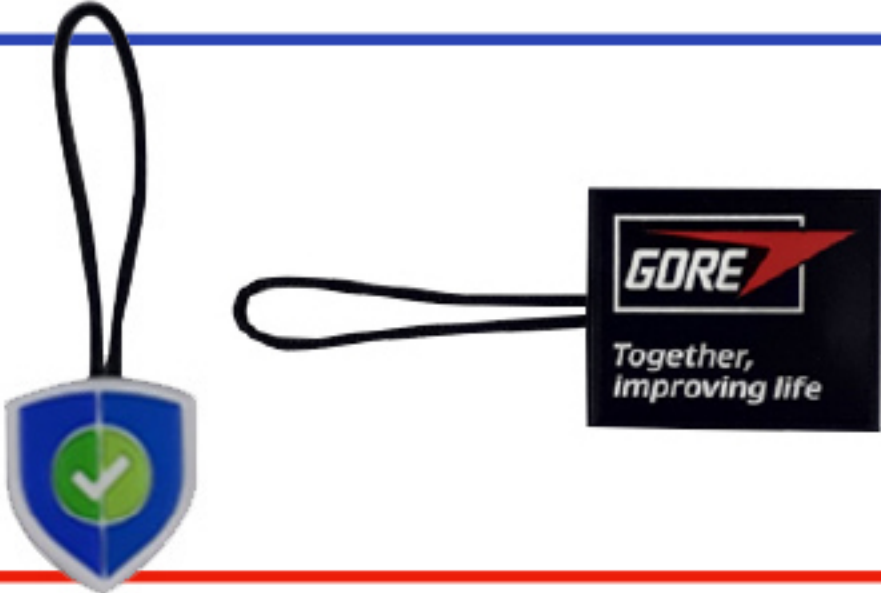

SHOELACE CHARMS

Shoelace Locks & Charms prevent the laces of your shoes from sliding back and forth, creating uneven ends when tying. Great for all shoes such as sports shoes, mountain-climbing boots, golf shoes, general shoes, etc!

PULL TAGS

We use a medical grade material to create your custom 2d pvc zipper pulls with black cord here in the USA. The tactile and detailed zipper pulls offer a great alternative to decorating your customers blanks, especially bags, packs, jackets, hoodies and pull overs.

CHARMS

We can take your idea and create a custom charm that will can be attached to necklaces, shoes, pet collars, bags, jackets as a keep sake.

2D LABELS

We use a medical grade material to create your custom 2d pvc labels and patches here in the USA. The tactile and detailed patches offer a great alternative to embroidery, silkscreen, and other patch types.

MAGNETS

We can create any shape you wish and the 2D allows for great detail. Our material is medical grade and can also be recycled if you like.
