CUSTOM DESIGNED SPOONS

Brand It. Scoop It. Wow Them.

Fully customizable, food-grade spoons made start-to-finish in-house.

Turn every taste into a marketing moment with vibrant, food-grade plastic spoons — ideal for summer events, trade shows, product launches, and grand openings.

Endless customization:

- Fully customizable: styles, sizes, colors, logos, embossing, tipping, and imprinting
- PMS color matching, biopolymer resin, and standout packaging
- Strong, lightweight, and practical while showcasing your logo
- Durable with high visual impact, ideal for high-volume promotions

Make your summer events unforgettable — contact us today to start designing your custom branded spoons.
