

## Education Label Opportunities

Weather classes are held in person or online, schools are looking to encourage behaviors to reduce the spread of germs. **Labels, stickers and decals** can assist in doing so. From promoting healthy behaviors or new safety procedures, labels can help mobilize the message throughout campuses.

From elementary school through college, **labels, stickers and decals** are used at every educational level. From promoting fundraisers to supporting athletics and administrative policies, pressure-sensitive applications engage and educate in a variety of ways.
