Sticker Sheets and Tech Decals

YOUR SOURCE FOR LABELS, STICKERS, DECALS AND CUSTOM PACKAGING TAPE!

Keep your message and brand in front of customers 24/7

- Decorate laptops, tablets, cell phones, and keyboards
- Promote and advertise your business
- Use preformatted templates for keyboard decals or tech decals
- Thank employees and show your appreciation for the nice work they do
- Build team moral by sharing Tech Decals with your remote workers
- Show support for the causes that are important to you
- Popular with schools, businesses and associations

SPECS AND INFORMATION

- Priced by sheet size, not the number of labels
- No die or set-up charges with a provided die line
- Indoor and Outdoor stocks available
- Permanent or removable adhesive
- Available in 1, 2, 3 and Process Color printing
- Low minimums - quantities starting at just 100 sheets
- UV Varnish included with Process Color printing
- Backside printing available to ensure your message gets delivered

WHY STICKER SHEETS AND TECH DECALS

Deliver multiple messages on one sticker sheet or tech decal that is fun and interactive for all ages! Optimize printing by combining different sizes and shapes of labels on one sheet. Create promotional handouts for medical facilities, car dealerships, financial institutions, restaurants, schools and public safety. Sticker sheets and Tech Decals are an options when a product requires multiple labels of a different size.
