

# October 11th is National Coming Out Day!

"NCOD" is an annual awareness day to support the LGBTQIA+ community. It marks the anniversary of the second major national march on Washington which took place in 1987. This day is monumental in that half a million people participated, nearly 5x the size of the first march in 1979. Show your support with Pride themed promotional products!

Item #RWB872
