

melin is different.

We believe that with more time, thought and care invested into how we make our products, we can actually extend the life of our products and the adventures we take them on. Welcome to a new generation of headwear, born with the dedication to perpetual progress and relentless obsession with detail. Our products are built to keep you outdoors longer chasing passions and like us, doing what you love. Join us on our journey to create the most premium headwear in the world by relentlessly improving our products, our process, and ourselves.

THE M

The melin M icon begins with the letter M signifying the centuries-old bespoke craft of millinery, which dates back to the 15th Century Milan, Italy

THE THREE PILLARS

MATERIALS

We only work with the highest quality and most sustainably sourced materials in the world.

DETAILS

We always incorporate problem solving details into our products.

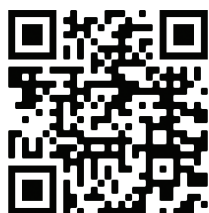

INNOVATION

We relentlessly pursue innovation in design, comfort & performance.

THE FOUNDATION

The strong foundation is symbolic of the caliber of the people we surround ourselves with and the integrity with which we act.

ODYSSEY

Inspired by the trucker hats we all grew up on. The partial seam on the front panel stops high on the crown to give a touch of fashion to a classic.
