July	August	September	October	November	December
					

These 14" x 1 3/16" Year-In-View® calendars are perfect for affixing to any suitable surface where there's no room for a wall calendar to hang. You'll always have your Year-In-View®—on a keyboard or computer monitor, on narrow desk spaces or in a vehicle. **It's a great item for around the office; the only limitation is your imagination.**

#6631A Red & Black Academic (July-June)

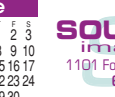

July 2025	August	September	October	November	December
					

LEARNING CONNECTION
bringing ideas together
1-888-305-5847

Jan 2026	February	March	April	May	June
					

Five lines of ad copy are included on any of the variations of this popular product.
The pressure-sensitive vinyl is easily removable, so you can replace it year after year. The Red & Black and the Custom Full-Color options are both available as academic year calendars (July-June) as well as traditional.

#6230 Custom Color
