

ADJUSTABLE DISPLAYS + GRAPHICS

Designed to adapt to a range of sizes and setups. Telescopic aluminum poles adjust in width and height, allowing one frame to accommodate multiple banner dimensions.

Quick, tool-free setup. Replacement graphics make it simple to update messaging without replacing hardware.

Print Method: Dye Sublimation
Fabric: Premium Polyester Knit, 8oz. (NFPA 701)
Production Time: 3 business days from proof approval (qty 1-12)
Rush Production: 24-hour rush available at no additional charge

Top and bottom pole pockets for easy mounting.

Twist-lock telescopic poles.

ADJUSTABLE DISPLAY KIT

SOFT CARRY BAG
for easy transport and storage.
