

FRONT PANEL TABLE COVERS

Front Panel Construction

A **full-color printed front panel** is paired with a single solid stock fabric color on the top, back, and side panels.

Print Method: Dye Sublimation

Fabric Options: 100% Polyester Poplin or Liquid Repellent

Finishing: Merrow stitched edge

Care: Machine washable; tumble dry low

Production Time: 3 business days from proof approval (qty 1-12)

Rush Production: 24-hour rush available at no additional charge

TABLE THROWS

Drapes smoothly over all sides of the table for a clean, classic presentation. Rounded corners help prevent excess fabric from pooling on the floor, while a Merrow stitched edge provides a finished look.

FITTED STYLE

Provides a structured, tailored appearance with a clean, box-like silhouette. Available with closed corners for a modern look or inverted pleated corners for a more traditional finish. Designed to fit the table precisely and finished with a Merrow stitch for added strength.
